VATSPEDDSL

Calle Antonio Salvador N99.1, 28026 Madrid, Spain

4. Product Name and Photo:

Faucet Adapter

(Threaded or quick-connect fitting used to adapt faucets for use with hose systems, filters, or accessories. Made from ABS, brass, or stainless steel, and suitable for household water systems.)

5. Product complies with the following EU directives and regulations:

- **General Product Safety Regulation (GPSR) EU 2019/1020**
 - **REACH Regulation (EC) No 1907/2006**
 - **RoHS Directive 2011/65/EU (if applicable, e.g., for electrical-integrated variants)**
 - **Drinking Water Directive (EU) 2020/2184 (if the product comes in contact with drinking water)**
 - **Packaging and Packaging Waste Directive 94/62/EC**
-

6. Product complies with the following standards:

- **EN 13618:2016 – Sanitary tapware – Flexible hose assemblies (if applicable)**
 - **EN 200:2008 – Single taps and combination taps (if part of an integrated tap system)**
 - **EN IEC 63000:2018 – Technical documentation for RoHS (if applicable)**
 - **ISO 9001:2015 – Quality management systems**
-

7. Additional Notes:

This faucet adapter is intended for domestic or light commercial use, manufactured from durable, corrosion-resistant, and non-toxic materials. If used in potable water applications, all materials in contact with water comply with EU hygiene standards. Product labeling includes installation instructions and usage guidance.
